

REMARKS

Claims 1 and 2 in the present application have been allowed. In the outstanding Office Action the Examiner indicated that prosecution on the merits is closed in accordance with the practice under *Ex Parte Quayle*. The Examiner objected to a syntax error in the claims.

By this Response to *Ex Parte Quayle* Office Action, the terminology, "has more sufficient room that a predetermined working distance" has been changed to recite, "has more room than a predetermined working distance". The Examiner's help in calling our attention to this error is appreciated. It is respectfully submitted that the above amendments introduce no new matter within the meaning of 35 U.S.C. § 132.

Accordingly, Applicants respectfully request that the Examiner allow this application.

CONCLUSION

In light of the foregoing, Applicants submit that the application is in condition for allowance. If the Examiner believes the application is not in condition for allowance, Applicants respectfully request that the Examiner call the undersigned.

Respectfully submitted,
